The screenshot displays the Ableton Live software interface. On the left is the Library panel with the 'Portland' drum kit selected. The main workspace shows a MIDI piano roll with a drum pattern for the 'intro' section, spanning measures 20 to 26. The pattern includes various drum elements like 'Synth Bass', 'Synth Master', 'Synth Layer', 'Synth Chords', 'Synth Lead', 'Vocal Loop', and 'Synth Riser'. The bottom panel shows the 'Alternative' preset selected, with a 'Rip City' sub-preset. The 'Loud' control is set to a high level, and the 'Percussion' section is visible with 'Hi-Hat' and 'Kick & Snare' controls. The 'Channel Strip Name' label is visible in the bottom right corner.
